Facebook: @COPRAYS

1. Adopt a Day

Sign up for a Monthly Prayer Watch at www.coprays.org. Your Monthly Prayer Watch starts at 6pm on the chosen day and ends at 6pm the next day (or take 12 hours).

2. Choose Your Prayer Model

Decide if your Prayer Watch will take place individually in prayer closets at home, corporately in the church building, via a 24hr conference call or via a 24hr Zoom meeting.

3. Appoint a Prayer Coordinator

Appoint a Prayer Coordinator who will organize, schedule and provide leadership for your Monthly Prayer Watch. This person should have an active and healthy prayer life and be able to mobilize people to pray.

4. Share The Vision

Share the vision for Colorado Prays with the congregation each month prior to your Prayer Watch to encourage people to sign up and pray during one or more prayer time slots.

5. Register Pray-er Sign Ups

Use paper sign-up sheets (downloadable from coprays.org) or use www.planhero.com to allow your congregation to choose their timeslots.

6. Distribute Prayer Digest

Distribute the Colorado Prays Monthly Prayer Digest (download from coprays.org) or draft your own prayer points for your county. Distribute the Prayer Digest by email or in printed form to every person who has signed up to pray.

7. Send Reminders & Pray

Have your Prayer Coordinator send a reminder email or text to your intercessors 2-3 days prior to your Prayer Watch encouraging them to fulfill their promise to pray during their chosen timeslot.

8. Seek Praise Reports

Encourage your intercessors to submit praise reports that give God the glory for answered prayers from your Prayer Watch. Forward praise reports to Colorado Prays leadership to be tracked statewide and published (as appropriate).
